

Object: Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

Declaration Type 2 - Update to January 2022

Dear Sirs,

according to the REACH Regulation, LA TRIVENETA CAVI SPA is qualified as a “downstream user”, in particular as “articles producer” and “articles supplier” (see art.3.4 and art.3.33), where according to the regulation itself, could be defined an article any product, component or semi-treated product.

We inform you herewith that:

1. Products supplied by LA TRIVENETA CAVI SPA fall under the definition of article (art. 3.3). These articles do not release any substances under normal or reasonably foreseeable conditions of use;
2. LA TRIVENETA CAVI SPA is not qualified as a producer or importer of substances, according to art. 3.9 and 3.11 REACH, and as such is not obliged to register the substances used in its production process;
3. LA TRIVENETA CAVI SPA maintains active the necessary actions enabling the company to continually grant compliance with all the applicable dispositions of REACH Regulation. Specifically:
 - the management of communication channels with the supply chain with the aims of:
 - a. updating of necessary information in reference to the evolution of the REACH regulation;
 - b. to make sure that the specific use of LA TRIVENETA CAVI SPA will be integrated in the registration dossier and eventually in the exposure scenario (if expected),
 - c. to find alternative suppliers with the aim to guarantee the supplying continuity;
 - the research and development of alternative processes or substances should the regulation restrict or banish the use of some substances from the market, in order to guarantee to the customers of LA TRIVENETA CAVI SPA the continuity, the quality and the performances of the supplied products;
 - the assessment of the substances used in the supplied products, in order to identify and communicate to you, according to the provisions of the art. 33 of REACH Regulation, any presence of substances classified as SVHC (Substances of Very High Concern) and included in the Candidate List and subsequent changes, if exceeding the concentration limits of 0,1% in weight/weight for each article that is part of the product
4. LA TRIVENETA CAVI SPA is aware of the notification obligations to SCIP Database - Substances of Concern in articles as such or in complex objects (Products) introduced, starting from 5 January 2021, by Directive 2018/851/EU for articles exceeding the SVHC concentration limits of 0,1% in weight/weight and undertakes to provide, through the table below, the SCIP notification number where required;

LA TRIVENETA CAVI S.p.A. - Via Orna, 35 - 36040 Brendola (VI) - Italy
