## KV09\_HEDSAM X-WEB MANUAL\_v1.2\_FI.

### Group levels

Click on "Others".  
On the next page click "group levels".

In the window that opens click "create new"

A new window opens. Enter a name and in the "New group right" field click "add".

A new menu opens.

In the group control field select a group by clicking on "Unset". In this example select Intrusion alarm group 1. Select if this group has the right to Inactivate and/or activate. Click "Save"
