EC-CERTIFICATE OF CONFORMITY

0832 - CPD - 2026

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

ALN-E Intelligent Analogue Addressable Optical Smoke Detector for use in fire detection and alarm systems

(For conditions of use for the product see the attached appendix)

placed on the market by

Hochiki Europe (UK) Ltd

Grosvenor Road, Gillingham Business Park, Gillingham, Kent ME8 0SA, UK

and produced in the factory

Hochiki Corporation

141-1 Maehara, Ejiri, Kakuda-shi, Miyagi 981-15, Japan

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan. The initial type-testing for the relevant characteristics of the product, the initial inspection and continuous surveillance of the factory and factory production control has been performed under the control of the approved body BRE Global Limited.

This certificate attests that all provisions concerning the attestation of conformity (Level 1) and the performances described in Annex ZA of the standard(s)

EN 54 - 7: 2000 + A1: 2002 + A2: 2006 - Fire detection and fire alarm systems - Smoke detectors - Point detectors using scattered light, transmitted light or ionization

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 09/11/2012 and remains valid as long as the product continues to be manufactured and the conditions laid down in the harmonised technical specification referenced or the manufacturing conditions in the factory or the FPC itself are not modified significantly and the required annual FPC assessments are maintained.
